## What Does It Cover?

This course introduces the concept of corporate governance, focused on UK and BVI legislation and best practice. With a combination of theory and practical case study analysis, successful learners will be equipped with the knowledge and skills to explain key concepts of corporate governance, identify potential issues and suggest appropriate sources of additional guidance.

## Upon completion of the course, the student will be able to:

- Understand organizations and stakeholders
- The business environment
- Understand the functions of governance
- Understand Governance Principles
- Understand Governance in Practice

## This Course is ideal for:

- Persons seeking a basic understanding of Corporate Governance
- Persons considering an entry level job in the Financial Services Sector
- Persons considering studying the CGI Level 4 Certificate in Corporate Governance with RMI
